TEACHER'S REPORT

The ISA project on "Colours of Carnival" was conducted by Grade-2 in the month of October. It was a great opportunity to conduct this project as it gave an international diversion in to the mind of students as well as teachers. A power point presentation was presented by the teachers to make students aware about countries undertaken in the project. The project helped the students to gain knowledge on the history of different festivals.

A small scale play by the students reflected the significance behind the different festivals of the different countries.

The role play by the students were greatly appreciated by other students, visitors, parents and teachers. The activity "Colours of Carnival" was enthusiastically carried out by the students.
